DISCUSSION QUESTIONS

1. God gave The 10 Commandments to the Israelites to guide and protect them as they journeyed towards the Promised Land. Do you think the 10 commandments still help us today?
2. The 10 Commandments set out guidelines for how to love God and others. How can we apply the 10 Commandments in our daily lives?
3. God gave us the 10 commandments. What do the 10 Commandments show us about who God is and what is important to God?

PERSONAL LIFE APPLICATION

As Christians, we are called to follow God's instructions for how to live. The Ten Commandments provide us with a guide to help us make good choices and live a life that is pleasing to God. By following the commandments, we can experience the blessings that come with living in obedience to God's Word. As a teacher, encourage students to reflect on how they can apply the commandments in their daily lives and make choices that align with God's instructions.

PRAY

Go around the class asking your kids if there is anything they would like prayer for. Ask if anyone would like to pray for each other, and give them the opportunity to. If not, then pray for the needs as the teacher / facilitator. Take note of any prayer requests to be passed onto your student support network.

LESSON WRAP-UP
